SUBJECT: Project Update: October 24 through November 4, 2005

Update on Land Use Element and Circulation Element progress through November 4, 2005:

PUBLIC OUTREACH

On November 2, 2005, the Planning Commission held a public hearing to discuss the Alternatives analysis approach that staff is taking to develop alternatives. The discussion included background information to establish context, identify goals for this phase of the project, and outline a conceptual approach to present, evaluate and test plan alternatives. The Commission provided direction and offered recommendations to staff regarding this approach. Staff will return to the Commission on December 7, 2005, for further discussion.

PROJECT COORDINATION

- Project team/joint meetings were held: 10/25, 11/01, 11/04.
- Circulation Element Steering Committee meeting held: 10/27

WORKS IN PROGRESS

- During this time period, staff has continued progress on Alternatives concepts based on Commission direction and is preparing to return to the Commission for discussion on December 7, 2005, and the City Council on December 13, 2005 (tentative date).
